

AWAKENING WE WITHIN ME

RITE OF PASSAGE, 19 - 24 MAY 2019

*Deepening one's connection to source,
expands one's ability to serve.*

Taking one's place in the circle of life.

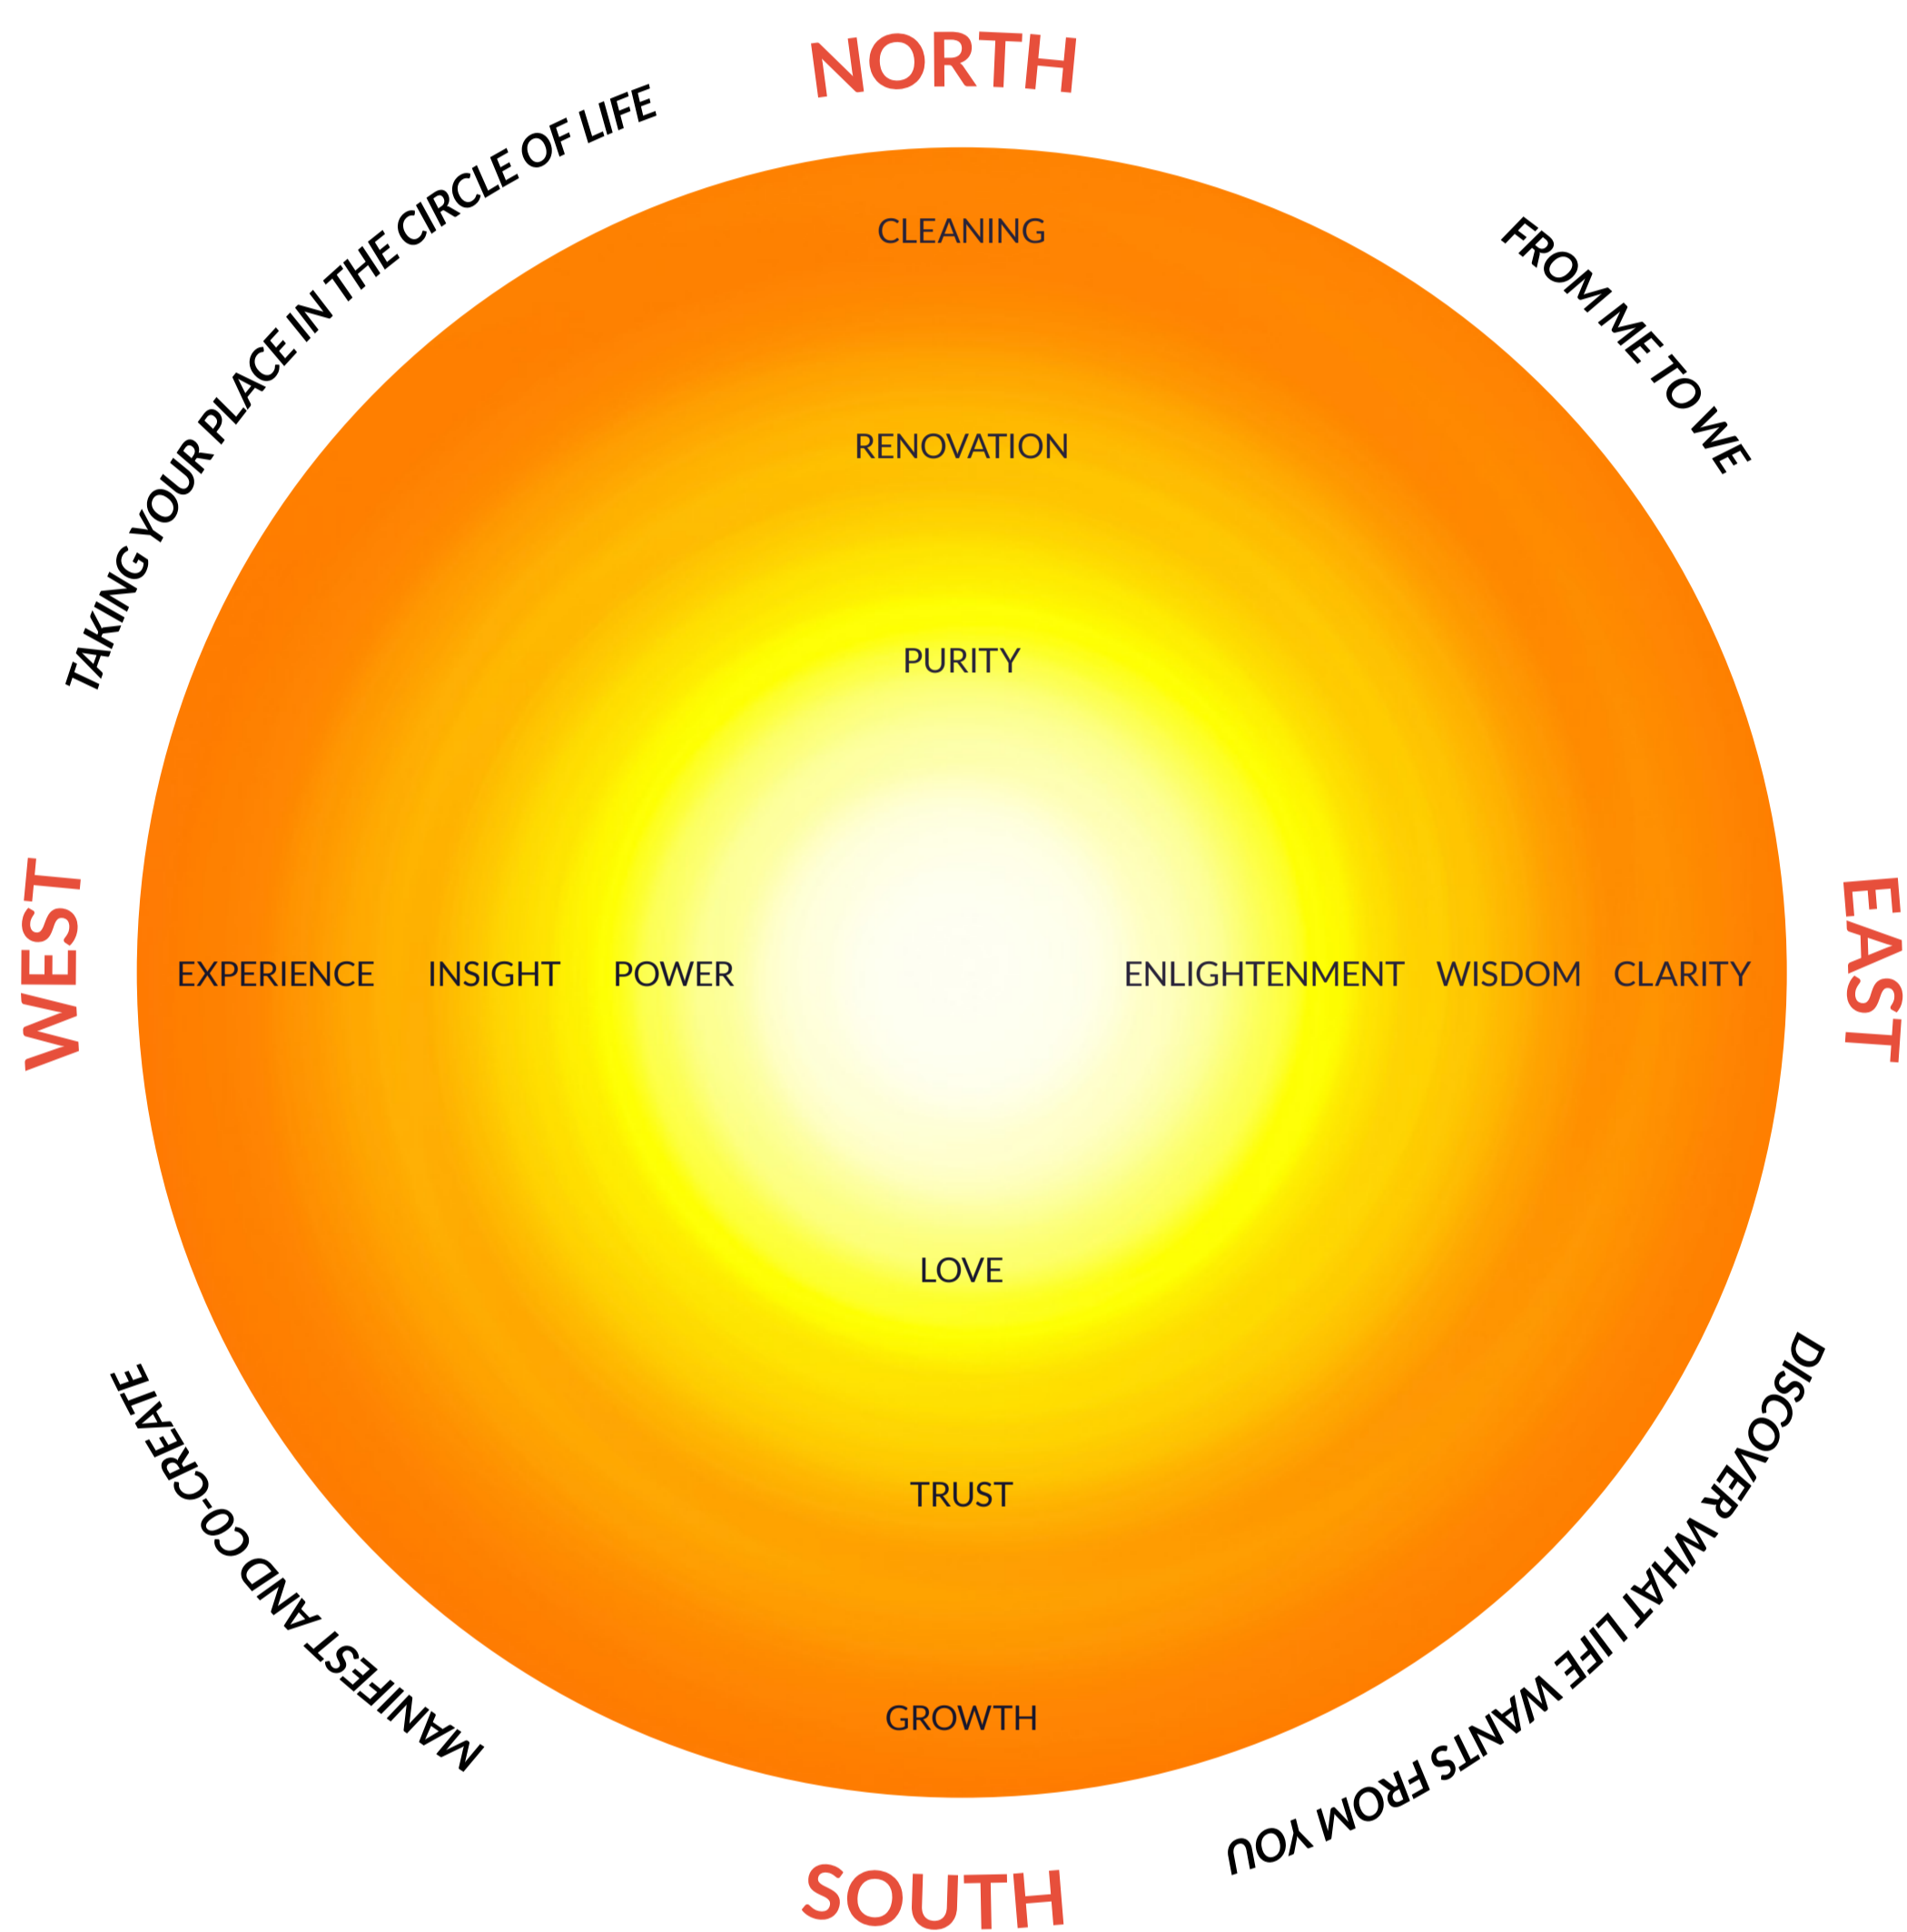

A programme for light-warriors and catalysts.

*We invite you to join us for this rite of passage, from me to we,
unleashing yourself in the next phase of your life.
Following your calling and finding form for your contribution.*

*The meaning of life is to find your gift. The purpose of life is to give it away.
- Pablo Picasso -*

A sacred journey with no beginning and no end, to connect with the infinite power, energy and higher wisdom. Supported by the four directions you will follow your spirit and go within. In surrender, letting go and stepping into the unknown, opening up to what wants to be revealed. The program includes a 24 hours solo in nature, a sweat lodge ceremony and a day at the Ocean (all depending on conditions). These and other rituals will help you integrate and celebrate your experience. Back home there will be support for you. A fruitful integration of your experience is an important and integral part of this rite of passage.
